

Dear Panerians Member,

Welcome to the Panerians group. You are now a member of an elite organization, which is currently dedicated to assisting business professionals in their search for their next career opportunity.

Please visit the Panerians on line directory and verify the information in your listing. Send corrections to administrator@broadleafdirectory.com. To access the directory, direct your browser to <http://broadleafdirectory.com/Panerians> , or simply 'google' Panerians Directory.

To find your listing, click on Member Listing → Search for Members and enter your name. The searching is done by tokens: each token you enter is checked for its appearance in every record. All records containing all the tokens will be displayed. So, for example, if you enter 'John Smith', all John Smiths will be displayed. If you enter 'John Smith Miamisburg', only the John Smiths with Miamisburg in their record will be displayed.

The directory is open to public viewing, so you need not log in to peruse it. If, however, you wish to send an email to the group (All) or to a selection (These Members) after a search, you must first log in. If you have not logged in before, you must first RESET, then CHANGE, your password following the menu prompts.

For a complete user reference for the directory, see Home → Help.

We hope your experience with the Panerians will be a positive one, and if I can help you in any way, please do not hesitate to ask.

Sincerely,

Peter L. Haigh
